

Create snowboard design for a lady. She likes especially dark blue and brown. Use big color block to make the design as simple as possible. The theme of the design is ice cave.

Please design me a snowboard design. Use big color block to make the design as simple as possible. Color of the board should be predominantly black. The theme could be death, or skeleton, snowboarding in deep powder. The skiing occurs during the night. The only source of light is full moon. Background is snowy mountain. Skier is skiing between large trees.

Please design me a surf board design. Use big color blocks to make the design as simple as possible. Theme of board is owl in the snowy forest in mountain terrain. Time of day is night. Light comes from the moonlight.

Avoid small details. Use limited number of colors.

Please design me a snowboard design with Twin Peaks series theme. From Twin peaks use "red room" scene and owls as design features. Use big color blocks.

I want another snowboard design. Theme of the board is brown border collie. Use brown color as main color. Use big simple color blocks and keep design clear and simple.

Thanks! Now create snowboard design that has rubber duck in the tip of the board, The other part of the board uses colors from the duck in large and simple color blocks.
